LETTER TRANSMITTING SUPPLEMENTAL APPLICATION DATA SHEET
AND REQUEST FOR UPDATED FILING RECEIPT

Sir:

Pursuant to 37 C.F.R. § 1.76(c), Applicants are submitting herewith a Supplemental Application Data Sheet to correct a typographical error in the foreign priority application number listed in the initial Application Data Sheet filed with the above-identified application. (The Supplemental Application Data Sheet also gives the amended title and the updated docket number.)

Subsequent to the filing of the initial Application Data Sheet on March 28, 2001, Applicants filed a Declaration correctly listing the foreign priority application number on June 20, 2001. According to 37 C.F.R. § 1.76(d), the information including the corrected foreign

priority application number given in the later-filed Declaration governs. However, Applicants understand that the records of the U. S. Patent and Trademark Office (PTO) have not been updated to reflect this later-submitted information (see attached PAIR printout of the foreign priority data for the subject application).

Accordingly, Applicants request that the PTO records and the Image File Wrapper for the subject application be updated to show the correct foreign priority application number (and amended title and updated docket number) as indicated on the enclosed Supplemental Application Data Sheet, and that an updated Filing Receipt be issued showing the same.

Applicants' undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,

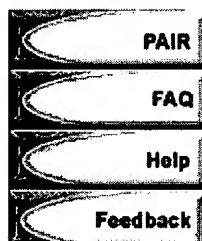

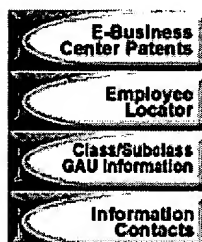

Attorney for Applicants
